Week 10: October 30th – November 3rd, 2017

Cell structure and Organelles

We will continue discussing cells structure and organelles. We will take notes early this week and then do an activity on Thursday to help you to remember what each organelle does!

Homework:

- Make sure to stay up on the notes in class, if you miss anything check the cells and organelles pdf on my teacher page to assure that your notes are complete!
