

Incoming 6th-grade French

This summer, students will work on Duolingo. The activities in this App are usually split into units containing vocabulary, grammar, and pronunciation using spaced repetition. Exercises include written translation, reading and speaking comprehension, and short stories. Lessons include matching, translating, speaking, and multiple choice. Mrs. Gonzalez will be able to track students' progress.

Instructions for students to join incoming 6th-grade French 2022/2023 with computers at home.

If you are on a home computer, go to:

Google Classroom: Join your class with your school email address. www.duolingo.com/classroom/cusxff

If you are on a smartphone or tablet:

1. Download the Duolingo app and open it up.
2. Press Get Started. Then select French.
3. Set your Daily Goal and continue (you can change this later).
4. **If you don't have an account**, please create a profile with your school email.
5. On Android, press the menu icon at the top right corner and press "Create a Profile.
6. On iOS, press Profile in the top left corner and create a Profile.
7. Type in your Name, Email, and Password, then press Create.
8. Go to your Profile and press Progress Sharing.
9. Type in your Classroom Code: CUSXFF
10. Press Join Class.
