

A Fall Survey of the European Middle Ages

Does the Middle Ages constitute a somewhat dark and hazy gap in your knowledge of the past?

Consider time-traveling to the Middle Ages this fall, and fill the gap with inspiring art and architecture, intriguing ideas, engrossing stories, and memorable characters!

This course, led by Crossroads Academy's award-winning history teacher, Dr. Freeberg, will enable students to explore key developments during the Early, High, and Late Middle Ages, the wide range of influences that led to these developments, and the impact of the Middle Ages on the world we live in today.
